A BED TO SLEEP IN

The theme for the 2023 golf outing is A Bed to Sleep In. When asked what was her best day at Family Promise, one guest responded it was the first day because she was "seeing my kids sleeping in a bed." After two months in her car, sleeping in a bed had to feel like a luxury. No family, no child should ever have to sleep in a car or a tent. They all need a bed to sleep in. The funds from this golf outing will prevent family homelessness and assist families experiencing homelessness to become rehoused quickly.
